

## GENERAL BIDDING NOTES AND GUIDE

**LOCATION: 11090 Jacobs Rd. Andalusia AL 36420**

**AUCTION CLOSES: FRIDAY, APRIL 24 (ONLINE BIDDING) STARTING AT 10AM (see below)**

**PREVIEW: THURSDAY, APRIL 23, 10AM- 4PM**

**REMOVAL: SATURDAY, APRIL 25, 9AM - 5PM**

This is the only scheduled removal date. If you are unable to remove your purchases on this date, please refrain from bidding; or consider sending someone to pick up your purchases. If you have specific needs, contact Gina Boyleston via email, [ginaboyleston@gmail.com](mailto:ginaboyleston@gmail.com). **PLEASE be patient at removal.** The removal is an organized process to ensure that buyers retrieve only the items they purchased, and that they pick up all of the items they purchased.

**DUE TO COVID-19, THE PREVIEW AND REMOVAL PROCESSES HAVE BEEN MODIFIED. ALL CDC RECOMMENDED GUIDELINES WILL BE STRICTLY FOLLOWED.**

**IMPORTANT: If you are not feeling well, do not come to the site. Everyone's health and well-being is far more important than anything else at this time. Use social distancing and maintain at least a 6' distance from others.**

**Preview: Only 10 people will be permitted on site, including staff. Sanitizer and plastic gloves will be provided. Customers must wear the gloves to handle merchandise. We do not want to rush anyone, but be mindful that others are waiting and we reserve the right to time entries to give everyone an equal opportunity to inspect the items.**

**WE WILL HAVE SOMEONE AT REMOVAL TO LOAD MACHINES AND HEAVY EQUIPMENT ONTO YOUR TRAILER. ALL REMOVAL IS FIRST-COME, FIRST-SERVE.**

The shop warehouse is completely full of smaller items that need to be cleared away before some of the machines, shelving, safes, racks, etc. can be removed. We will not be able to clear a path or remove small items to accommodate these larger pieces. If you are buying safes, machines, shelving, shop tables, etc. you will not be able to remove these until **after 1:00 p.m.** Our staff will be on site 10am-6pm to assist buyers in locating their purchases. They cannot use their time to clear off tables, etc., until later in the day. Here is a video to demonstrate how full the tables, racks, shelves and the building are.

We will be using the New Holland Tractor to load some of the machines. The tractor buyer can operate the machine for removal, but we have a qualified operator to remove these items.

Staff will be on site to assist you in identifying and locating your items. Bring your dolly, truck, tools, **LABOR** (help). If a staff member helps you load, please be generous with your tips. Their first obligation is to the seller and auction company to manage removal. Please do not assume that a staff member will be available to you personally.

If you have another person or company removing your items, a 3<sup>rd</sup> party removal authorization is required for large items. For smalls, reply to the email containing your receipt and indicate the name of the individual authorized to remove your purchases.

**SHIPPING:** Neither the owner nor the auction company ship. Please do not assume that we will ship your item. Any such arrangement or request **MUST** be discussed with Gina Boyleston **BEFORE** bidding. **LOCAL PICK-UP ONLY.**

**STAGGERED CLOSING:** The online auction closes at intervals of four (4) items per minute. This feature, in concert with the Dynamic Closing element, and closely emulates a 'live' auction.

**DYNAMIC CLOSING:** The closing time of an item is automatically extended an additional 5 minutes whenever a bid is placed within the last minutes of the item's closing time. Thus, if an item is set to close at 10:00AM, and a bidder places a bid on the item at 9:58AM, the item's closing time will be extended to 10:03AM. If another bid is placed at 10:02AM, the item's closing time will be extended to 10:07AM, and so on. This continues until no further bid is placed on an item during the final 5-minute extension.

**MAXBID FEATURE:** Bidders can place a maximum bid price for any item in the auction. The software will bid for the bidder up to the bidder's maximum bid in the increments established for that price range. Increments can be found at the bottom of the catalog page next to the **REVIEW BIDS** button.

**OUTBID NOTICE:** The system sends an email notice to bidders when a higher bid has been placed on an item. This feature **ENDS** when the scheduled closing time for the auction begins.

**REVIEW BIDS:** To quickly review your bids to see if you have won you can utilize the "Review Bids" feature at the bottom of the page. Submit your bids on each page before advancing to the next page to ensure your bids are logged. When logging bids, be sure to submit bids at the bottom of the page before advancing to the next page.

**WINNING BIDDER NOTIFICATION:** Winning bidders will be sent an electronic invoice by email ONLY (you are responsible for checking your email). If you do not receive an electronic invoice, then you did not win any items at the online auction. Invoices are emailed at the conclusion of the auction.

**PAYMENT:** No receipts will be sent before the auction closes. After the auction closes, your payment method on file will be processed for your purchases. If you are a dealer, we **MUST** receive your tax certificate **BEFORE** the auction closes via email. We will accept cash for purchases over \$500.00. Buyers **MUST** contact us **BEFORE** the auction closes to request payment by cash. We do not have change and would require exact cash amount. If you have not made prior arrangements with Gina Boyleston, your credit card will be charged at the conclusion of the auction.

**REGISTRATION:** To bid, on the catalog page, from the top tabs click Register to Bid Personal Property. You will be required to complete a form and enter your credit card information. A \$25 deposit verification will be placed on your card for a matter of days. **THIS IS NOT A CHARGE AND IS NOT RETAINED BY BOYLESTON AUCTIONS.** The \$25 verification will be removed from your account in several days, depending on your financial institution's policies. Be sure that the address you enter is the billing address for your credit card. Once you submit your form, you have 10 minutes to check your email for a six-digit authentication code which must be entered to complete registration.

**BIDDER NUMBER:** Upon completion of registration, you will receive your permanent Boyleston Auctions bidder number. Please do not register twice. Only one registration is permitted per customer. You may, at any time, update your bidder profile by clicking the [Bidder Profile](#) link on the catalog page in the blue tab bar at the top of the page.
